Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Attention is called to errors which appear in the claims of the above patent. These errors are set forth in the enclosed Certificate of Correction Form (PTO 1050). Request is hereby made for issuance of a Certificate of Correction.

The exact page and line numbers where the errors occur in the patent are as follows:

Claims 32-35 (col. 172, line 63- col. 173, line 15) which should be deleted.

Certificate

of Correction
APR 19 2007

Claims 32-35 correlate to originally numbered Claims 41-44. Originally numbered claims 41-44 were cancelled by the Examiner in the Notice of Allowability. Pursuant to an Examiner's Amendment signed Sept. 30, 2004, which noted that claims 41-44 have been cancelled without prejudice to Applicant filing a divisional on said claims. Page 1 of the Notice of Allowability does not list claims 41-44 as being allowed.

However, page 3 of the Examiner's Amendment notes incorrectly and in error, that claims "41,42, 43, 44 .. are allowable."

The errors which appear above, are Office errors which fall into the category of mistakes which are correctable pursuant to 37 CFR 1.322.

Two copies of the Certificate of Correction Form (PTO 1050) are enclosed.

The Commissioner is hereby authorized to charge payment of any additional fees associated with this communication to Deposit Account No. 08-2525.

Respectfully submitted,

Attorney for Applicant(s)
